When we read figures like these, we can uderstand the bitterness of the rural concerats toward Tammany Hall. Well nay the county say: "If these things are lone in New York, where the Democrats

There is no farmer so dull that he cannot as this. On one side he sees Grant's administration reducing the debt at the rate government of New York increasing the debt of one city at the rate of more than \$2,000,000 per month. Yet he sees in the sountry good government—peace with all the world—the Indians under check, a turbulent Seuthern population held with a steady but gentle hand, an army and a nawy, and a large civil list, and all the machinery of a Government which ranks chinery of a Government which ranks sees rugality, decorum, and gentility among the rulers—true examples of citien hipma the part of the men in power

Tragedy Near Rochester.

its ecusure on account of the license of genius. He lived and died a hearty; Christian gentleman. There is nothing more admirable than the open-handed use FESTIVAL-A YOUNG GIRL IS PUBSUED

len. The grounds back of the saloon were dark, and here the young girl was pur-sued by three scoundrels, and in attempting to escape from them she jumped across the railing and either leaped or fell

down.

Detective Hughes, John Farrell and another person descended the bank at Catarnot street, a lane below Falls Field, and by the light of a lantern groped along the foot of the bank till reaching a point not far from the Falls and immediately in

The body proved to be that of a young girl not more than accenteen years of ago. She was dressed in a drab dross of coarse cloth. The head was bare, the hat was gone, and the hair which was black, stream-

Field, which was after the body had been taken away, there was little to indicate that anything unusual had happened. Altaken away, there was little to indicate that anything nausual had happened. Although it was past midnight, the salcons were still thronged. Gangs of drunken young rowdies were gathered here and there in knots, the bend was playing, and there in knots, the bend was playing, and overything indicated a scene of unrestrainwhich defectivity. No one could inform him of ed festivity. No one could inform him of the particulars of the accident or with any pertainty the name of its victim. A num ber said her name was Flannery, and that she had lived on St. Paul street, but they were not positive. The proprietor, Fred Faob, could not be seen, and our reporter was informed that that individual was in

of any soversign, and he gained by the proceeds of his literary labor two millions and a half of dollars. This is a bold stateand a half of dollars. This is a bold etaies "Well," quoth the stupid son of Galen, ment of a well-known fact, but which wast and wide-spread popularity does it work well enough."

There is nothing better for a party thin a rallying cry. It is like the beat of the derivan or the chorus of an anthem. Here is something for the Republican canvase; bec. 31, 1888, 484, 407, 017 March. Here is seen their reception, in the world. He formed a host of the clerks, and it is to their selfar clamor that their reception, in the world. BY RUFFIANS AND JUMPS OVER THE BANK—HER BODY FOUND SEVENTY.—IVE PRET DELOW, DEAD AND MUTTI-LATED.

From the Rochester Democrat and Chronicle.
A terrible tragedy occurred last Tues day night at Fred. Fach's gardens, Falls Field. A featival was being held there by St. Faul's German Church on Fitzhugh atreet. Among thore who gathered at the place were scores of young rowdies, these as they became quarrelsome from liquor, created disturbances all along during the evening. The German part of the sesembly was ordely enough, but these outsiders threw, by their proceedings, an air of law lessness, around the place, with which the dreadful incident that followed was only in keeping: While the music was playing its livicest, a rumor spread that a girl had fallen over the bank. This is some forty feet from the rost of the bank. This is some forty feet from the rost of the bidding, and guarded by a railing. It is a sheer descent of over asventy-five feet from the top to the river below. Down this the girl had river below. The proceeding and guarded by a railing. It is a sheer descent of over asventy-five feet from the top to the river below. Down this the girl had river below. The the best than the open handed use calculates a graph more cheroic than the way in which had the prevented him and the way in which had the part of the sale river when he girl so the rive nishs of the homsge of mankind would have been the thought of the social recognition his memory has received. He was, not a man of our leveling sgo. He thorpoughly honored and believed in the caste than Mr. Griswold.

oughly honored and believed in the caste and the splends; or feedalism. He would have been gied to foresee that millions would honor and love him after death; heeded a chaperone. He came to the restout he would have felt be had not lived in vain could he have known that the fay he gave them space in his books, flattered them; encouraged their hopes, and assisted them in finding a market for their ed out of the Waverly tales, and that at the great banquet in Edinborough the heir of the Dake of Buccleigh. Chief of the clan of Scott, would preside to do homost to a Scott of a higher rank than his own.

Doctors and Druggists.

Doctors and Druggists. PEER INTO THE SEGRETS OF COMPOUNDING PRESCRIPTIONS.

The new drug law in New Tork is quiet, retired, sensitive, domestic and uncausing quite a flutter, not only among

floosely about her neck. The foreness ad chin were bloody, and the upper lip wellen out of shape. The head hung sociely, showing that the neck was broken at the between the two the secrets of the fall. No other marks or bruises were visible. Attached by a string around the wrist was a showy fan which had not been broken or marred in any way. The clothing was not greatly stained or at all torn.

Separal years passed, and in 1857, Ramon and the superior, and the part of t gone, and the har which was class, stream causing quite a flutter, not only among assuming. Thouble came between the druggists, but among the doctors, and two in the shape of a woman of society, and the upper lip awollen out of shape. The head hung are likely to become well exposed. In a loosely, showing that the neck was broken aurburban journal, an article has just appeared which betrays the hand of a well concealing her sorrows, kept hereal more

goring disease in the metropolis, in pov-orly and alone. His literary ventures had brought inadequate remuneration, and he had lived a life which it was not altogether pleasant to look upon. But the sisters had which common care would have avoided. Abbreviations, the slightest conductor of which might lead to the substitution of a deadly poison for a valuable medicine, are indicated as recklessly as if they were filling, like the professional capital R. upon which a greater amount of chirographic attention is lavished then on the body, of the prescription.

"Half the ingredients may be designated by their Latin names, or abbreviations, the sick room was made cheerful with books, flowers and all necessary comforts, and to defray necessary expenses, by their Latin names, or abbreviations, the minds of part in the maney earned by days and nights of the maney earned by days and nights of

the prescription.

"Half the ingredients may be designated by their Latin names, or abbreviations."

The rest are scribbled indistinctly in the forts; and to defray necessary expenser, the money earned by days and nights of labor with the pen was freely lavished. At last ended the sufferings of the falso lover, and the grave closed over the secret time made public.

hold municipal sway, what may we expect in the nation with Mr. Hoffman as Presi-

of more than eight million of dollars per united the resources of the modern scholar month. On the other he sees the local and the free and breasy originality of the government of New York increasing the early world. No writer is richer in those the heart of man well-enough for every among the first powers of the world. He purpose of poetry and fiction, but he never indulged in those morbid exercises of vivi-section which have made the recent literature of Europe so exciting and nawhole-some. There is no writer who is at once 1. N. w York the men in power rovel in coarse and gandy decorations, the pleas-arcs of the senses, and make themselves so strong and so safe. A boy may browse among the Waverly Novels and Minstrol-sy through bis whole vacation, and he the mockery even of those who are too cynical to grieve over the lamentable dewill gain from them nothing but lessons of pravity of affairs: honor and courage and purity.

guarded by a railing. It is a sheer descent of over seventy five feet from the top to the river below. Down this the girl had fal-

line with the saloon above, there they found the body of a woman. It was a difficult journey up the steep bank with the night unusually dark. They carried the corpse up past the very spot where Ira

bed. His wife gave all the information she had, which was next to nothing. Outside were policemen Burchell, White and Bendou. These had also been down the Bendon. These had also been down the bank rearching with a lantern for the body which, however, was found by Hughes, as stated. The exact circumstance which led to the tragedy, may never be charred up. In the darkness of the night the rowdies, who pursued her, were unrecognized, and probably either mingled afterwards with the throng or slunk from the scene. No one heard acreams, but the noise in the sa-

The Scott Centenary. From the Now York Tribune. Although the reasons given for celebrating yesterday in Edinburgh the centennial anniversary of the birth of Walter scott, instead of waiting for Tuesday the word of any quack who wows he can the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who wows he can be compacted to the word of any quack who would be compacted to the word of any quack who word of the word of th next, are somewhat trivial, we cannot but regard the change as a happy one. For the last twenty years the fifteenth of August has been devoted to a festival in the most brilliant city of civilization in honor of the birth of a man who symbolizes only the destructive and repressive forces of modern society. In 1869, this galaday modern society. In 1809, this gala-day attained its highest splender and glory to celebrate the completion of the century which had elapsed since the birth of Napoleon. It was the apparent triumph, and the promise of perpetuity of the institution of Casarism which his genius had sustained. A year later, Paris was in mourning and only of unprofessional conduct. The State of Michigan contains five-only of unprofessional conduct. The State of Michigan contains five-only of unprofessional conduct. The State of Michigan contains five-only of unprofessional conduct. The State of Michigan contains five-only of unprofessional conduct. year later. Paris was in mourning, and Napoleonism was dying on the battle-fields of Lorraine. This year the spell that seemed immortal has vanished for ever, and the fifteenth of Angust exists on longer as a date of a holiday for France. It was well enough, therefore, that the proud and loving countrymen of common. The grees object of the treat that the proud and loving countrymen of common. The grees object of the treat that the proud and loving countrymen of common. The grees object of the treat that the proud and loving countrymen of common.

Shumburg. SERIOUS ACCIDENT -About half past 2 o'clock yesterday afternoon, Mesers. J. C. Bryan, and A P. Bennett were crossing the O. C. & A. R. Rathroad track, on Franklin street, in a buggy. The horse became frightened at the locomotive, and ran up Franklin street at a furious rate, with Mr. Bryan holding the reins. As they approached the foundry of Bryan, Dillingham & Co., the horse did not apear to elacken his speed, even with the full force of the curb bit. Mr. Bennett, became alarmed, and seized one of the reins, which had the effect of turning the horse towards they alley-way leading to the foundary. all his force on the other rein, which caused the animal suddenly to change his

seat, and while in the act of falling, his market yesterday by selling short, but a warehouse on the north side, measuring feet caught in the front wheel of the bug- newstoy who was long in sour berries about 30:50 feet. gy, and he was thrown under the horses bought up his options and saved a panic, To give any adequate idea of either the feet, and dragged a considerable distance. He however still beld possession of the reins, and the animal stopped opposite the

ed with a scalp wound, and chiefly of an injury to the back of his neck It was not long before Drs. Barr. Elliott. Varian and Dunnigan were on the spot, flaential citizens, who were unremitting in their attentions to the wounded man Mr. Bennett was apparently suffering great pain. The bone of the arm above the left wrist was fractured, and he complained of set by the physicians present. A carwell cashioned, were soon in readiness, and the sufferer was carefully lifted into

SERIOUS ACCIDENT TO A SOMNAMBU-LIST -About two o'clock yesterday morning Mrs. Smith, an elderly lady, residing school and lecture room, and the second near the corner of Martin and East Mechanic street, got up in her sleep, and prewill be fitted up in modern style. There cipitated herself down a flight of stairs 16 will be no gallery except for the use of the | feet deep, striking her head against the front outer door. The step of the door, a piece of wood six feet eight inches long. three feet, three inches wide, half an inch thick, and fastened with nine heavy nails, was driven to a distance of ten feet into fragments. The lady weighs two hundred points, and buyers from Chantauque, pounds, and must have plunged against the door head foremost. Dr. Dunnigan was summoned and dressed her wounds, which were altogether on the head. He also thinks her recovery doubtful. Mr. J. E Holley, who resides next door, also Mr. whole neighborhood were alarmed by the E. W. and W. H. Granger, have a corps of noise, which sounded like a heavy explosion in the distance. The lady is highly respected, and this is the first time she was ever known to have walked in her sleep. She has been conscious at intervals since the accident, but does not remember | the capital of the oil region.

anything since going to bed the night pre-Is it understood that when the citizens of Titusville assemble in public convention and after due deliberation adopt a series of charter amendments and send them to Harrieburg—is it understood, we ask, that two or three persons may alter the amendments to suit their private interests, and defeat the wishes of the people? This is the question which all our citizens must answer at the polls on Tuesday next.

BIG WATERMALONS.-R T. Hazzard says he has seen California watermelons as big as a man," while John Porter s ready to take his "solemn affidary" before a justice of the peace that he has seen South American watermelons that were 'as large as three men." This goes with the story of hall-stones falling in Chau-July. But speaking of fruit, Shank received a car load of watermelons yesterday, three of which are as large as a flour barrel. He also received the following A RUNAWAY.-Mr. Henry Myers, who items of fruit, just to keep the people's worthy enterprise, and we should be pleas-

> boat load of sweet potatoes and other A Young CRIMINAL -Officer Sarder last night caught George Benton, a lad eleven years of age, in the act of robbing the till at the meat market on the corner of Martin and Diamond streets. This till has been robbed twice recently. The youthful offender was taken to the look-up. He MRS. DR. CHASE'S LECTURE.-The lec-

evening, will be postponed on account of the absence of the lady from the city. She store. will delives a free feature on Monday evening in the Universalist Church, to settling off the south side of Oil Cicek from Choice Sweet Potatoes at Shank's, only which gentlemen as well as ladies are in the city of Titusville, to avoid paying for vited.

This sad case occurred two weeks ago to-day under the following anything new in the way of an advertiseproumstances. The Free P. cas says. The young man had left the (Mr. Pat ton's) where he was employed as a clerk, about the middle of the atternoon for the purpose of getting the horse und carriage, which were kept at the barn on Mr. Patton's place in the First ward. On his return he drove the horse into the river at the usual watering place a few reds above the bridge. Unfortunately be had Spring street.

Spring street. before entering the water, and consequentdepth before being able to drink. As the river was very high and running with a strong current the situation was a perilous prictor of Dr. Pierce's Att. Ext, or Goldone, and, when Moore endouvered to drive out, the horse, being unable to keep his nostruls above water on account of the nostruls above water on account of the check rein and martingale, soon became unmanageable, and in a few moments all the Bowels, Bronchial, Throat and Lung were fluting down the river towards diseases, severe Coughs, and as a blood wing under the bridge at was overturned either by striking an abutment or by the frantic struggles of the horse. At face. Sold by druggists. the lower edge of the bridge the carriage grounded at a shallow place, and a con siderable portion of it remained above water, affording Moore a secure place in which to stand until assistance might reach him. But suddenly, while no

who drives the express wagon, sprang off the bridge into the water, but the swift current or led him down several rode before he could get a foothold which enabled him to stand up against it. In the meantime those upon the bridge saw Moore rise nearly to the surface some distance above Camp, but the latter was un able to a ainto the rily water from he position, and so his brave and generor attempt to rescue the drowning boy was without avail. Soon siter a large number of persons were actively en-gaged in looking for the body, and the search was continued without intermis sion, except when darkeess intervened ing, when it was found on the shore of an island about two miles below the bridge, by two men in a boat. The body was brought to the city and the same evening, after a short but impressive funeral service

at the house and the grave, conducted by Rev. A. G Wilson, was committed to the it have produced a deep impression in our community.

PERSONAL -The Philadelphia Sunday Mercury has the following personal notice pacy, and the Commonwealth Oil and Pipe of the Rev. Mr. Cunningham, who is sojourning with his brother-in-law, the Rev. Mr. Sinclair, of this city :

This fellow sent a small lot of gold to Mr. the bretbren are placing a new organ. George Small, of Baltimore, to sell for The instrument is of the first class. The church interior will be entirely over-banled. Our Rev. Brother Cunningham him his check for \$32 37, which Kunkle at is now indulging in a boliday. The con once dexterously altered or "raised" to one. From his labors the brother merits \$3,200 37, and which was soon after cashed by the Shrewdebury Savings Institution surpassed even by a patent corn sheller and sent to the Merchants' Bunk of Balti.

About him there is very little of the Oily Gammon. Like a fresh apple turn-over more, thence to the bank on which it was from the oven his love to souls is verdrawn, without being discovered. It was warm. To stir up the muddy waters of finally discovered by the maker of the check upon comparison of amounts. It is really surprising that check-makers should stead of bumbugging the sisters when in part payment of which said boods were usued; be so negligent when there are various the church needs anything our Brother And my persons purchasing and bond congregation there are neither busy-bodies pand by said city until the dedocency in said lot of nor sneaks, and Satan gives the fold the land is made good in accordance with the terms of widest berth

O'NKLL—On Thursday evening, August 10th of choices infantum, Nel 10, infant daughter of John and Helen M. O'Neili. The funeral services will be held at the real ence of her parents, on Pine street, at 10.30 this (Saturday) morning, after which the remains will | Co from Pagundas to Tidioute and Trunkeyvill interred in Woodlawn Cemetery.
